About

100 Medals Targeted Foundation is a Non-Governmental Organisation registered under Sec-8 of Company's Act 2013, in Sep 2021. The NGO aims at identifying sporting talent amongst children from all cross sections of society. 'SAU PADAK'(in short) will endeavour to make maximum sports accessible in villages and encourage children to take up sports by facilitating them in as many ways as possible, and pave way for actual talent to emerge in India.

Brand Ambassador Indian Blade Runner Major D P Singh

“100 Medals Targeted Foundation is indeed a remarkable initiative which has the potential to bring about a paradigm change in the sporting culture of our nation.”

◀ Vision

- ✦ 100 Medals for India by Summer Olympics 2028
- ✦ Develop a strong sporting culture in our nation
- ✦ Pursuit of India's Olympic glory

◀ Mission

- ✦ Talent Identification
- ✦ Sponsorship/Mentorship
- ✦ To empower Children, Youth, Women, EWS and Specially-abled section through sports.
- ✦ Promote sports & games at grassroot level
- ✦ Sports tournaments
- ✦ Provide assistance to young players by providing them education, medical help, health check-up making arrangement for their needs in terms of sports equipment
- ✦ Create infrastructure and facilities for promoting, uplifting and enhancing the level of sports

Our Process

◀ Continued Evaluation Programmes

- ⤴ Talents identified at Talent Selection Camp
- ⤴ Show cased on our website
- ⤴ Performance monitored over a period of time
- ⤴ Evaluated by domain expert periodically
- ⤴ Facilitated by providing more opportunities and exposure

◀ Sponsoring & Mentoring Talent

- ⤴ Potential medalists who are in need of financial help are supported by our NGO on case to case basis
- ⤴ Recommend to Govt/ private academies/ companies/other sports NGO for further mentorship

◀ Sports for Every Child

- ⤴ Old and unused sports item are sought for donation
- ⤴ Item are then distributed amongst the needy sports person and children
- ⤴ Promote sporting culture in our nation and provide an opportunity for all children to play sports

Driving Strategic Excellence in Sports Development

- Conducts extensive research to drive strategic insights in sports development.
- Provides expert assistance in policy formulation to improve sports accessibility and support.
- Engages in macro-level strategic planning to enhance India's sports infrastructure.
- Serves as a think tank that champions innovative solutions for long-term sports growth.
- Advocates for policies and practices that support underprivileged athletes and sustainable sports initiatives.

Building a Strong Foundation for Sports

Talent Selection Camps

- * Conduct battery test

Hemanshu crowned overall champion, Shiksha triumphs

The 100 Medals Targeted Foundation organized a sports equipment donation drive in Chakraborty to promote sports among underprivileged children. During the initiative, children from slum areas received sports shoes, footballs and other sports equipment, while around 50 children were provided with books and stationery. Colonel Himmat Verma (Retd), the director of the foundation said India has immense sporting talent and requires stronger support systems to nurture it. The drive was supported by Paragana Foundation. The foundation reaffirmed its commitment to promoting grassroots sports and creating opportunities for deserving children.

Defence wing holds EWS talent hunt for golf tournament

BY Correspondent

JAIPIR. In a bid to promote elite sports among the economically weaker sections, a 'Talent Identification Golf Tournament' was held in the Defence wing of the Centre to celebrate the 75th birth anniversary of the late Major T. S. Singh. The tournament was organized in three categories, first category - boys under 17 years and girls under 15 years, second category - children between 16 and 20 years and third category - senior children between 21 years and adults.

The winner of the children's category was Shiksha Jain with a gross score of 81. The winner of the senior category was Jeeshan Singh with a gross score of 74. The winner of the women's category was Shiksha Jain with a gross score of 81.
